

Technical drawing of a mechanical part, likely a bracket or support, showing dimensions and features. The part is symmetrical about a vertical centerline. Key dimensions include a total width of 34, a central slot width of 8, and a height of 9.50. Two hexagonal holes are located on the left and right sides. Two small circular holes are located near the bottom center, labeled "2 Orif $\varnothing 3$ ". Section lines A-A are indicated on the left and right sides.
